

Technical Assistance and Training Resource

Project Name Technical Assistance and Training for Alcohol and Other Drug Agencies	Contractor Name Alcohol and Drug Policy Institute (ADPI)
Contract Number 10-00214	Address 1127 Eleventh Street, Suite 214 Sacramento, CA 95814 Contact: Victor Kogler Phone: (916) 572-8171 FAX: (916) 583-7322 E-mail: tcta@aodpolicy.org Web: www.aodpolicy.org
Description of Technical Assistance/Training Services or Materials	<p>Technical assistance may occur via telephone and on-site, as necessary, and will guide applicants through the licensure and/or certification application process. For current licensees and AOD certified programs, TA will clarify and promote compliance with regulation. For deficient programs, TA will facilitate writing and implementation of corrective action plans. Subject areas for training may include: selection and implementation of evidence-based practices; counselor skills development (confidentiality, ethics, treatment planning, progress notes), best practices in addiction treatment; motivational interviewing; cognitive behavior therapy; contingency management; process improvement strategies to improve client engagement and retention in treatment; administration and compliance with laws, regulations, and standards; mental health and other co-occurring disorders; electronic health records; evaluation and outcome measurement; clinical supervision; group counseling; SBIRT; the family system of addiction with special emphasis on children of addicted parents, among others.</p>
Populations or Groups Served	<p>Current and prospective AOD treatment agencies; priority may be given to agencies experiencing management and/or facility/program problems.</p>
Eligibility Criteria	<p>Current and prospective AOD treatment agencies are eligible.</p>
Application Procedure	<p>A request may be made online at www.aodpolicy.org/tcta.htm. If internet access is not available, one may contact ADPI via mail, phone, or fax. See address and contact numbers above.</p>
